

Bedford South School Supply List 2021-2022: **Grade 4**

To assist you in purchasing school supplies for your child, we have prepared this list of materials. We are asking that you only bring in the supplies needed for September-December. We recognize sometimes, if purchasing in the summer, items are less expensive; therefore, we have also included the supply list for January-June.

****Your individual classroom teacher may request a few additional items after the first day of school.**

Please label all supplies, including scribblers, rulers and erasers with your child's name. Please keep supplies like crayons, coloured pencils, and markers in their boxes (this helps with desk organization).
